PETITION TO WITHDRAW THE HOLDING OF ABANDONMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

January 13, 2005 (via facsimile)

Sir:

During a telephone inquiry with the Examiner Tran on January 12, 2005, it was discovered that the above-identified application has been abandoned for failing to file a response to a non-final Office Action mailed April 21, 2004. The failure to respond to the outstanding non-final Office Action resulted from the non-receipt of the Office Action by the undersigned.

On March 6, 2000, Applicant's attorneys relocated to a new address in Washington D.C. The United States Postal Service had been instructed to forward all mail to the new address. However, it appears to not have been the case in this application. In addition, the undersigned submitted by e-mail on or about May 22, 2001, a spreadsheet listing all cases which were to be associated with Customer Number 004372 and in which the undersigned's address was to be changed. Enclosed is a copy of page 16 of the spreadsheet where the subject application is listed. The undersigned's new address was of record under Customer Number 004372 as of January 31, 2001 (a copy of the Notice of Customer Number Record Change is

enclosed). However, for the Examiner's convenience, attached hereto is a Notification of Change of Name and Address for the subject application.

Applicant respectfully submits that the non-final Office Action dated April 21, 2004, was never received by the Applicant's undersigned representative and that the withdrawal of the abandonment of the above-identified application is proper. Therefore it is respectfully requested that the abandonment be withdrawn, the application returned to pending status, and a new non-final Office Action be issued.

In the event that any fees are due with respect to this paper, please charge our Deposit Account No. 01-2300, referencing Atty. Docket No. 107156-00031.

Respectfully submitted,

Subject: Error Report for Customer Number 04372

04372Cusno_Error(1).xls

I have received your spreadsheet to associate your applications/patents with your customer number, and there are just a few more questions. There are a few files that are currently going to a different address for correspondence and we just have to do a little preventative maintenance to be absolutely sure that you do, in fact, want to update these files to your customer number.

Please take a look at the attached spreadsheet, which lists the "questionable" applications. Once you have verified whether or not you wish to associate these applications/patents with your customer number, please mark them as such on the attached spreadsheet (i.e., yes/no) and email it back to me, or simply email me the list of applications/patents that you DO NOT wish to be associated with your customer number. Please DO NOT delete any applications from the spreadsheet.

If there are NO changes to be made, you can just email me back to let me know that it is ok to associated all files with your customer number.
